FURTHER INFORMATION ON BACK

HOW TO APPLY:

Spread evenly 4.5 kg/100 m² (10 lbs/1000 sq.ft.) when weather is dry. Moisten the moss before applying. Do not water lawn after applying for 48 hours. Repeat treatments may be required if this condition causing moss growth is not corrected. This product should be used as part of a complete lawn feeding program.

PRECAUTIONS:

KEEP OUT OF REACH FROM CHILDREN.

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Avoid breathing dust. Store in its original container tightly closed and away from children and pets.

FIRST AID:

IF SWALLOWED: Get medical attention or contact poison control center.

IF IN EYES: Flush with plenty of water and get medical attention or contact poison control center.

IF ON SKIN: Wash with soap and water.

Do not use on cement products, such as sidewalks, patios, blocks, stucco, etc. Will also stain marble, sandstone, limestone, and related products.
